Good afternoon family,

Sorry I am not present today. This is an in-between cycle for Region so this report will not contain too much. Region has a policy that states that every two years there will be a Regional inventory. Policy and procedures is now working on getting a workgroup together to make this happen and they will meet on July 27th via zoom so that this can happen prior to the next Regional meeting and more can be revealed on inventory process. If you would like to sit in on the planning phase for the inventory the time is 6:00pmCST meeting ID is 9013505030 passcode is NATN and phone code is 374794. Tonight Region is having an between meeting July 18th at 4:00pm CST. If you would like to be present the meeting ID is 9013505030/passcode is NATN/ phone passcode is 37494. Region also has an Ad Hoc meeting on July 31st at 6:30pm CST. Meeting ID is86096797587/ pass code is NATN and the phone passcode is687803. The next Regional meeting is August 1, 2021 at 9:30 am. That is all I have to report at this time.

Thank you for letting me be of service,

Julie H.

- **Treasurer Report**

Greetings Family,

For the month of June, we started with a beginning balance of \$585.29. We took in \$446.40 in Area Donations from groups. We had \$312.87 in expenses. Our prudent reserve was \$204.61. This leaves us with \$307.21 in available funds. Per the motion set forth and voted on I will continue to hold all available funds in reserve until further notice. The PO Box was renewed at a higher amount than anticipated at \$204.00. We are in an excess of funds so we definitely had it covered. Speaking of excess in funds. If there are any subcommittee's needing funds I would suggest asking for it today or at very least reserve it today. Also, since Joe is no longer the treasurer he no longer wants to have the Venmo on his personal phone. We tried to add it to my phone and I already have a Venmo on my phone but we could not get it to load. Since this was originally a temporary solution we feel it's time to shut down the Venmo since in person Area meetings are more readily available. If the Area wants to Have a Venmo then a suggestion would be for the Area to have a vehicle to carry a Venmo account. Joe is willing to keep it open till the end of this month. After that he would like to shut it down so he can get it off of his personal phone and email. Please let me know if you have any questions or concerns and thank you for allowing me to serve.

In Loving Service,

Amy E.

- **H&I**

Hello Family,

This month the H&I committee met in person for the first time since Covid came to visit. It's been really great over the last 6 months or so we have been orienting new people to participate in our meetings. We've had 2 to 4 people a month every month. It's been a really great experience to see so many people stepping up and getting involved. Our secretary Sarah S has her work cut out for her updating our active H&I members list. We have voted in Dan P as CADAS panel leader as of this month. We have also had some Walker State Prison action. Two of us have received our new badges to enter the prison and are still waiting on word as to when we will be allowed to resume meetings there. They're also supposed to let us know as soon as they schedule a new orientation for new volunteers there. The new meeting at Valley is still in the early stages. We sent a list of volunteers for their orientation and I went for my 1 on 1 session and medical clearance Friday. Orientation there has yet to be scheduled but they do want to try and have us meeting by early next month.

Our new lit chair has made an order this month and is settling into her position as well as our new panel leaders. We still have the vice chair position and all alternates for others as well. GSR'S please announce for us the continued need for support. Also if you could let people in your home groups know, if they have been oriented to please check with myself or Sarah S and help us make sure our available list is up to date by adding the names and contact info of the people that are oriented and missing. All is going well with our existing meetings and I'm very excited about the growth we're having in our committee.

In Loving Service

- **Surrender Under the Stars**

Hello family. All it well with the Surrender committee. We had around 12 people in attendance at our meeting. It is with a heavy heart that we will not be hosting the normal 3 day campout. None of the venues we looked at could or would accommodate us for one or more reasons. We tried several different facilities and weighed several options and found none to be able to work out in our favor. The details are too much to put into the report however I will gladly discuss them with you all if desired. We did feel the need to do something instead of nothing this year. So this year we are hosting a one day event called 'Surrender Just for the day'. That is also our theme. We also pushed the date back till October 23rd to give more time to get everything together. We will be having the event at The First Church of the Nazarine. We will start things off at 11am. We will have workshops, recovery bingo, a men's and women's rap followed by dinner, a main speaker, a clean time countdown, an auction and ending the night with a tiki torch outdoor meeting. There will be a registration cost of \$10.00 which will cover the cost of dinner and a donation to the church for use of the entire facility. Registration will also give us contact info for sending out pre registrations for next year's campout. We will also have tee shirts. We need artwork for the shirts. Once again the theme is 'Surrender Just for the Day'. Artwork is due by the September 10th Subcommittee meeting. We are hoping to get flyers by next month's meeting. However, if we get get them sooner we will get them sent out electronically to the outlying areas and regions. Yes it is unfortunate that we could not get a faculty to accommodate us but we are moving forward as best as we can. Until things return to a more typical normal then we will continue to adapt to the ever changing world. If there are any questions or concerns please feel free to get with me. Thank you for allowing me to serve. I.L.S.

Joe A.
