Hello Family, Not much to report on this month since Region meets next Sunday. So next months report will be much more extensive. Once again I'm putting this into my report that The

Chattanooga Area will be hosting VRC 41 next year 2023 and we need to get a chair nomination submitted at the May 1st Regional meeting. VRC Chair is a two year commitment now due to the new VRC guidelines. If we can get a nomination in by the May meeting then we will only be one cycle behind which isn't bad. There will still be plenty of time to get things going.

Requirements for VRC Chair is 5 years continuous clean time, minimum 3 years active Service involvement in NA, and prior Area or Regional convention experience. **Please, Please, Please, GSR's take this back to your home groups and announce in meetings the need for people to serve on the convention committee.**

- **Treasurer Report**

Greetings Family,

For the month of March, we started with a beginning balance of \$1435.94. We took in \$568.48 in Area Donations from groups. We had \$578.68 in expenses. Our prudent reserve was \$469.42. I am still holding \$500 in reserve for the Up coming Area event and I also held \$175 for the phone line renewal. This left us with \$281.32 in available funds which will be forwarded to Region. I did get phone.com paid on April first which will be reflected on next month's report. Please let me know if you have any questions or concerns and thank you for allowing me to serve.

In Loving Service,
Joe A., Acting Treasurer

Greeting from Fellowship Development'

At our last meeting we had 5 members in attendance. If you remember, we had asked for 1 member from each HG to be present at our meeting, this is not to get positions filled but to find out how to best serve your HG and the CASCNA as a whole.

Our website and meetings are currently up to date with all meetings listed. We are currently working on the PDF display on the and the hiccup that occurs when you try and get direction from the schedules on the website. These issues will be resolved quickly. If you see a problem, please let us know as soon as possible. Ravyn C has done an amazing job at this position and is currently training Joanna R. We had 2040 session with 854 visitors to the website. There were 1 group was removed from the schedule because they are no longer meeting.

The phone line received 30 calls which totaled 80 minutes. 25 menu calls with 4 forwarded calls and 1 voicemail.

Please announce that the carpool will be going to the In The Works Group in Lafayette Ga on April 28 and again on May 19th. The meeting starts at 7:30pm. There have been reported issues or concerns with this group and we want to help them by supporting them. So, on those two dates please break away from your normal meeting routine and come out and help us to help them. The carpool will meet at May 19th and will be going to the In The Works Group. We will meet at the Waffle House at 6513 Ringgold Rd @ 6pm.

- **H & I**

Hello family,

H&I is alive and well in the Chattanooga Area. Tammy G has been voted in as the new panel leader for the Cadas meeting. We are currently working on getting different people rotated into new positions and out of old positions. Focus, Sholze, Walker State Prison and CADAS detox are going well but as always we could use all the help we can get to insure the strength and diversity of the message we are trying to carry. As always it has been a honor and a privilege to serve our area and the addicts in these various facilities.

In Loving Service,
