FOR THE NEWCOMER

Our meetings are a process of identification, hope and sharing. The only requirement for membership is the desire to stop using. We have seen the program work for any addict who honestly and sincerely wants to stop. We don't have to be clean when we get here, but after the first meeting, we suggest that newcomers keep coming back and come back clean. We don't have to wait for an overdose or a jail sentence to get help from Narcotics Anonymous. Addiction is not a hopeless condition from which there is no recovery.

We Do Recover.
