Area Chair Report

Hello Family,

Thank you all for being here today. We have quite a bit to go over today. We have already gotten voting out of the way though so that is good. I called the Collegedale Municipal people, and they just forgot to put us on the calendar. With that being said, they put us on the calendar today, next month and in the following two months we will be in the big room next door because the library needs this room, then we will continue back over here. We were very appreciative of the Nazarene Church for being so quick to help us that day last month when we needed them so suddenly.

I have gotten the money out for the Chillout on Chillhowee subcommittee and have given it to the treasurer and it will be included in their report today. Hopefully everyone has discussed their budgets in their meetings this month and can have those turned in and official by next months area meeting. As for what all needs to be discussed, I believe that is all that must be discussed outside of what comes up in reports.

Again, thank you all so much for the privilege of letting me serve this Area as Chair for the last 2 years, it has been my pleasure getting to know each of you and I am so grateful to call you all friends, and family.

In Loving Service,

Kim P.

RCM AREA REPORT

2/16/25

Hello Family,

We have quite a bit to discuss today

CAR/CAT:

A big thank you to all the home groups who voted on the motions for the interim world service conference agenda report. If you haven't voted, it's not too late! The deadline has been extended to February 20th.

The interim world service conference agenda report (aka WSC CAR) was published on November 28, 2024. There are 12 motions that are, in effect, about WSC business. Many are a result of the new three-year cycle. That is, the 2023 recent conference decisions only extended to 2025. The WSC conference participants have determined which motions will be voted on at the WSC.

Home groups, please follow the link below to submit your votes by February 20th

If you have not seen/discussed the motions yet, there is a direct link to the WSC Interim Report, as well as contact information for Josh T. (ITCC Chair) for any questions about filling out the form. We will be available for others to submit votes, particularly at the February region, and will be available to members in the meantime.

FD Reimbursement:

Chattanooga Area requested reimbursement (\$300) for bus signs. Regional concern that request prior to spend was not submitted. Chair suggested it would be inappropriate to reimburse after the money was spent without permission - this might make this the area's PR budget, not the region's PR budget. If an area is struggling with a financial need for any reason, they can request funds at a VRSC as a motion with details about the need and purpose. I have included the VRSC motion form and VRSC Payment Voucher. These forms can be filled out and sent back to VRSC for consideration, including the previous spend and future spend assistance.

Newsletter:

As a result of the 2022 Regional Inventory, we began publishing a quarterly newsletter, Volunteer Spirit.

The Spring 2025 (March, April, May) issue will focus on Steps 1, 2 & 3. The submission deadline for the spring issue has passed, but please send in any articles, artwork, etc. for the summer issue.

Please send us area activities that would appeal to those outside your area as well!

All submissions and event announcements or fliers need to be sent to newsletter@natennessee.org.

View past issues at natennessee.org/volunteer-spirit - submissions are low and needs support. Even just a couple paragraphs, anecdotes, poetry, artwork, new subcommittee information, new groups and meetings, really anything NA. It doesn't even have to be about the issue's theme.

I have attached the flyer with the QR code to take you directly to the newsletter!

VRC 42:

VRC 42 – Summary by Interim Regional Secretary : Successful convention with a couple hiccups, final total sent to VRSC Treasurer of \$18,104.89, including rough report that Alternate Treasurer put together but Square reconciliation means an updated final report will be sent later, 61 day passes, 117 pre-registrations, 155 registrations, registration total was \$9,315.00, merchandise was a big miss and recommends future VRC committees prioritize larger sizes of shirts, lots of merchandise leftover. \$5,705.00 sold in merchandise. Detailed spreadsheet included showing different types of income that came in. Did not meet room block, had to pay hotel for that. Hotel did take previous 501(c)3 form.

VRC 42 received \$28,000 total and returned \$18,000

VRC 42 ended up being a financial loss at approximately \$10,000.00. – James B.

VRC 42 Report:

Thank you all for allowing me the opportunity to share. Overall, we had a very successful convention.

There

were a couple of hiccups during the convention but overall, we came together and made it a success.

Our final total that was sent over to the treasurer was \$18,104.89.

I am including a rough quicken report that Joe had put together, but he is redoing it with the square report. We did not have the turnout we were hoping for.

Registration:

Day Pass- 61

Pre-Registration - 117

Registration - 155

Our Registration totaled out to \$9315.00

Merchandise was a big miss for us. For future VRC's, I recommend prioritizing larger sizing. We have

quite a bit of merchandise left over from VRC due to this that can be used by VRC43 to help with funds.

Pre-Convention Shirts:

8 small

12 Medium

3 Large

1 XL

Short Sleeve Green Shirt

12 Large

1 XL

1 3XL

Short Sleeve Tan

1 Small21 Large

5XL

Long Sleeve Tan

2 Large

25 Teddy Bears

36 Water Bottles

This was an area that we definitely struggled with and we ordered far too many large and not enough XL
And 2XL +

We could have definitely done better in this area if we had prioritized those sizes and focused more on long sleeves and hoodies. Our Merchandise total was \$5705.00.

I have not had the opportunity to get with Mike G to transport all of the items back to the storage unit, but I will make this a priority in the next month.

Going into the convention, our hospitality chair was not able to attend the convention due to a family emergency and our merchandise chair had his appendix rupture the week prior and was not able to be as involved as he would have liked, so I want to take a moment to thank the entire committee for stepping up and making the convention happen and all the hard work that was put in to carrying the message. This has been a tremendous learning experience for me and I appreciate the opportunity to serve.

From VRC 42 Chair (Knoxville) Amber M.

VRC 43:

VRC 43 Summary by Interim Regional Secretary:

All is going well, subcommittees are active, submitted proposal for hotel - Marriott East Memphis (least expensive for lodging). Website is live and had many registrations already, collaborating with NA in May subcommittee, Midwest Tennessee is talking about doing a VRC 43 fundraiser. VRC 43 will start on Thanksgiving Friday. Attrition rate is unknown. Room block guarantee is 75 rooms Thursday night, 75 rooms Friday night, 75 rooms Saturday night. Contract price is unknown. – James B.

VRC 43 Report:

Hi family I'm Suzanne and I'm an addict.

All is well with the VRC 43 committee. We've been having regular meetings with all committee chairs and executive committee members in attendance. All committees are on task. We are submitting our suggestion for the hotel and request approval to move forward.

Treasurer's Report

February 16, 2025

Greetings Family,

For the month of January, we started with a beginning balance of \$3,584.73. We took in \$681.61 in area donations and a check for \$4,975.00 from SUTS subcommittee donation., which makes the total monthly donation \$5,565.61. We had \$154.39 in expenses. Our prudent reserve is \$500. This left us with \$8,636.95 in available funds, after deducting the donation from SUTS it left us with \$3,661.95 in available fund to send to region this month. If the committee agrees I will forward region a check in this amount.

Please let me know if you have any questions or concerns and thank you for allowing me to serve.

In loving service,

Jason N

- **H & I**

Hello family,

H&I is alive in the Chattanooga area. Focus, Sholze, Walker State Prison, The Next Door Recovery and CADAS are going well but as always we could use all the help we can get to insure the strength and diversity of the message we are trying to carry. We had 4 orientations this month.

We have great willingness for going into facilities but can always use new faces to help carry the message better. Moccasin Bend is the only position vacant at this time. This will be on a Tuesday night at 6. If anyone has any interest in this position. Panel leader position requires 1 yr clean time and previous experience in H&I. Please announce this in your homegroups so that we can hopefully extend our reach to addicts in the Chattanooga area. If anyone has interest in this position please join us at our subcommittee meeting which meets the 2nd Sunday of each month @ 2:45 @ The First Church of the

Nazarene on 5455 North Terrace. One year clean time is required to be a panel leader. We have voted in Justin S. as our Scholze men's panel leader.

We could use more willing participants to sign up to be able to go into Walker State prison. If anyone is interested you can go through the application process on our NA website under hospitals and institutions or see me or another member of this subcommittee.

H&I's 2025 budget proposal is included in this report. Please take it back to your homegroups please. Also it was brought to my attention that this year marks 25 years since H&I was started back up in Chattanooga with Scholze being the first facility we had the privilege of going in to. We have been talking about putting on a lil 25 yr celebration as this marks a huge milestone for CASCNA. This can be tied to one of our learning days for the year. I'm very grateful to be apart of this amazing subcommittee and Narcotics Anonymous as a whole. Thank y'all for allowing me

February 16, 2025

Chillout on Chilhowee Report

Hello Family,

Chillout Met on the 1 st Sunday of the Month which was February 2 nd at 2pm.

We met by zoom. There were 5 members in attendance. We were able to

Nominate and vote in Candace T as Treasurer, Kim P as Programming

Chair, Kathy B as Registration Chair, Parish J as Culinary Chair, and Gary

B as Activities Chair. As you heard earlier today there is a chair that has

been nominated – Julie H. and we will be voting on Christina P to be Vice

Chair at our next Chilhowee Meeting. That means that the Logistics Chair

requires 1 yr clean time, Secretary requires 1 yr clean time, and Serenity Keeper requiring 1 yr clean time is still open and ready to be filled. As for funding, the committee made \$2328.23 last year. They will be needing \$2000 this year and every year ongoing seed money from that money they made. So brought back to Area today is \$328.23 in cash as we never received any checks last year at all. The \$2000 seed money will be going for the following: \$208 for the U.S. Dept of Forestry, \$500 for the tent rental, \$1000 for T-shirts, and \$292 for the start of food purchases (fundraising should raise the rest of what is needed for the food.)

The flyer and Registration Form are both on nachattanooga.com website under the events page to print off for your homegroups and to announce for people to be able to print off registration forms. A Chilhowee Cash App has been created to receive the registration funds and a Chilhowee email has been made to receive the registrations forms. Spreadsheets on excel are being created to keep track of all the registration between the treasurer and the registration chair. Registration will be \$12 per tent and \$10 per day for meals per person. The email for Chilhowee is chilloutonchilhowee@gmail.com. The \$10 a day for each person's meals will mean 3 meals will be provided on Friday and Saturday and 1 meal on Sunday. The Tent is being secured tomorrow on Monday and the Rafting spots have been reserved. Rafting is going to cost \$35 per person.

The main speaker for Friday night is coming out of Nashville, TN and his name is Mike E., the main speaker for Saturday night is coming out of

Howenwald, TN and his name is Trey D., and we have secured a women named Becky coming out of Howenwald, TN for one of the workshops as well.

We are opening theme and t-shirt logos up this year to the entire fellowship. The themes are preferably due by the next Chilhowee Meeting

on March 2 nd preferably. Shirt Logo will need to be in by April Chilhowee Meeting on April 6 th so we can vote on them during those meetings.

NOW..... the campout this year will not be the 3 rd weekend of the month because of region having something going on that weekend. They have requested that we move the date of our event every other year. So, this year the campout will be held from August 8 th through August 10 th .

I know that was a lot of information. The first meeting went very well, and it looks like this may be a great area event this year. Hopefully our entire area will be present and involved in some form or another.

Thanks for letting us serve.

Kim P and the entire Chillout Committee
